

## Tunturi T20 Competence treadmill

The Competence line from Tunturi is the perfect choice for beginners. With a Tunturi Competence treadmill, you get a high-quality and easy-to-use fitness machine for simple home use.

**CHF 1'299.00**

The Tunturi Competence Treadmill T20 is a treadmill with 44 different programs. With this treadmill, speeds from 1.0 to 16.0 km/h can be selected and inclines from 0 to 12 % can be set. The running surface is well sprung and measures 125 x 45 cm. The motor power is 3.5 HP.

The control panel has an integrated LCD display and simple menu navigation.

The maximum user weight is 120 kg. In addition to the pulse measurement on the handles, an optional chest strap can also be used.

As this treadmill was designed for home use, it is also foldable and therefore extremely space-saving. When folded, the length is reduced from 15 to 87 cm.
