CHF 34.90

The Tunturi Massive Pro Ab Roller is so far the most massive and stable version of an abdominal wheel from Tunturi. It lies very well in the hand and convinces by its stable and generous construction.

- ergonomically formed
- with a thick wheel, which guarantees security and stability
- the slight inclination in the wheel itself supports the training of the lateral abdominal muscles, because rotations can be brought into the workout
- dimensions: L43 x W 21 x H21 cm
- weight 1.2 kg
- maximum user weight 180kg
