CHF 5'990.00

Interchangeable cable handles provide unlimited options for all experience levels. The extra wide and tall main frame provides easy access to an endless array of high, medium and low cable exercises.

The Body Solid Cross Over S2CCO's pull-up station offers multiple grip positions - including Body-Solid's exclusive climbing grips.

With dozens of independent height adjustments and 180° cable positioning for smooth guidance in all directions, the Body Solid Cross Over S2CCO is one of the most versatile and functional machines on the market.

Features:

- 2 x 75kg weight magazines (also available with 2 x 95kg).
- 36-position cable pulley height adjustment for a variety of upper, middle and lower cable exercises
- 180° range of motion of the pivoting cable pulleys
- Unilateral or bilateral movement options available
- pull-up aid with narrow and wide grip options
- exclusive climbing handles for pull-up aid
- weight magazine cover
- solid and stable frame construction

Use: home to commercial continuous use

Equipment dimensions: W485 x D148 x W360 x H252cm, weight 434kg
