

## Body Solid Pro Club Line Series II Leg Press Calf Raise (S2LPC)

Commercially rated - built with precision - Body Solid's Pro Club Line Series II consists of 17 single and dual function stations and offers a complete range of equipment, providing facilities with strength stations for the entire body. Each station is designed to be biomechanically correct. Multiple adjustment options allow each user to achieve high quality and natural movement.

**CHF 3'290.00**

Body Solid Pro Club Line Series II equipment is designed to provide an intense workout while avoiding strain. Easy and comfortable entry makes getting started a breeze. Thick, comfortable DuraFirm™ quality padding reduces fatigue and discomfort for a more enjoyable workout.

Body Solid Pro Club Line Series II equipment features heavy and solid steel frames with 4-sided welded frame construction. This ensures trouble-free use from home to demanding use in commercial fitness facilities. The full weight magazine enclosure is not only aesthetically pleasing, but also safe - preventing users from dropping weights on objects. Commercial-grade cables, weight packs and design make the Body Solid Pro Club Line Series II equipment one of the strongest and most durable equipment lines on the market.

### **Features:**

- 95kg weight magazines (also available with 140kg)
- low center of gravity for highest stability
- easy equipment entry!
- ergonomically designed, rubberized pressure plate with 2 positions for more traction during leg presses and calf raises
- lateral access to weight adjustment - relieves tension in the thigh muscles
- 10-position adjustable back pad for different body sizes
- lateral stabilizer handles for perfect isolation of muscle groups

- extra strong, tear-resistant Durafirm padding is double-stitched and contains high-density, top-quality foam
- weight magazine cover with training instructions
- double beam construction with pedestal bearings at pivot points for precise alignment and friction-free movement
- solid and stable frame construction (5 x 7,5cm)
- double powder coating protects against scratches, chipping and flaking
