

## NordicTrack Commercial S10i Studio Cycle

From a 10% gradient to a 20% incline - with the NordicTrack® Commercial S10i Studio Cycle you don't just cycle - you increase your personal performance on gradients and inclines, just like outdoors in nature. Uphill and downhill, and the higher the incline, the more calories you burn! And riding downhill uses completely different muscles. Faster results are in sight.

**CHF 1'590.00**

### **10-inch Smart HD touchscreen**

The total experience with iFit. The app is integrated directly into the console of the S10i, and with iFit you have access to training videos from anywhere in the world, or group classes with well-known coaches. And more than 15 training methods such as hiit, walking, running, cross-training and much more ensure that everyone gets their money's worth (subscription also available).

### **From 10% gradients to 20% inclines**

With the NordicTrack® Commercial S10i Studio Cycle, you don't just cycle - you improve your personal performance on gradients and inclines, just like out in nature. Uphill and downhill, and the higher the incline, the more calories you burn! And riding downhill uses completely different muscles. Faster results are in sight.

### **22 resistance levels**

Change the resistance level at the touch of a button on the console and achieve your training goals. Cardio training and calorie consumption: how to improve your performance!

### **13kg Effective Inertia**

Designed for incredibly smooth performance, this 13kg flywheel delivers a smoother, more natural workout feel. All NordicTrack Cycles are equipped with Silent Magnetic Resistance (SMR).

### **iFit® Bluetooth® Smart access**

With the revolutionary interactive training program iFit® Technology\* you get more out of your workout on the Nordic Track training device. A new workout every day (personalized workouts), automatically track your progress, experience real-life runs with Google Maps (virtual tracks) or compete with friends,

or tailor your workouts to your specific goals (virtual (personal) training). \*iFit subscription required to be ordered separately. \*iFit® subscription to be ordered separately required.
