

## BRUTEforce® Universal Bench with Leg Curl/Leg Extension add-on module (SUPA808)

The BRUTEforce® adjustable workout bench with leg extension and leg curl attachment is the ideal bench for any home gym. The weight bench fits perfectly with most Smith Machines, Power Racks and Multi-Press Racks. Design features include 6 adjustment options that allow for incline, flat, decline and upward positions, conveniently positioned foot rollers and sturdy construction. The fully included leg extension/leg curl attachment makes the SUPA808 exercise bench from BRUTEforce® the perfect workout partner.
