Radiant moments

Water is also the key to the MizuMee eye massage mask - and the basis for a pleasant vibration massage of the eye area. Improve circulation, relieve fatigue and tension, counteract wrinkles and bags under the eyes.

Uniquely flexible

With the innovative, patented technology of the MizuMee eye massage mask, you can easily choose between cooling and warming water - and even switch this during the treatment. This allows you to optimally meet your individual needs.

Anytime and everywhere

Use the MizuMee eye massage mask wherever and whenever you want. Due to the slim design, the low weight, the fast charging time and the long battery life, the eye massage mask is always ready for use and there are no limits to your relaxation.

An Unparalleled Experience

High functionality with attractive design and the use of high-quality, hypoallergenic materials make the MizuMee Eye Massage Mask your daily companion. Feel how the water soothingly flows around your eyes through the skin-friendly silicone surface. In addition, ergonomic silicone cushions and the variable headband adapt perfectly to any size and face shape. At the touch of a button, you can choose between cooling (up to 18°) and warming (up to 40°) effects on the control element. You can also regulate the intensity of the massage, which pampers your eyes with its gentle rhythm.
