Balance between speed, depth and force

NEX Pro offers the perfect balance between the three main components that make up a true massage gun. With the right amplitude/depth of 12mm, the right force of 60lbs and a speed of up to 3,500rpm, the NEX Pro provides an instant deep massage to any user.

100% Metal, 100% Reliable

The O'Yeet NEX Pro is equipped with a double metal rod that can withstand a strong torque of 600Nm and has a longer life than other massage guns.

Deep Massage

NEXPower- technology penetrates 30% deeper into the muscles compared to average massage guns and generates up to 40 lbs amplitude/force speed. It is equipped with 4 calibrated speed modes, ranging from 1600 to 3500 rpm. Each mode provides individual therapeutic benefits to the body, based on the user's needs.

Compact and Powerful

The NEX Pro massage gun offers a comfortable balance between power and size. It is lightweight and comfortable to hold, which means you don't need anyone to help you complete each deep massage session. One-handed therapeutic massage session.

**30 Days of Continuous Performance**

With up to 240 minutes of continuous battery life, NEX Pro delivers uninterrupted performance without slowing down. A fast USB charging cable and mini charging cradle are included. A plus in mobility!

Your FitnessPartner

With a trendy portable case and a two-year warranty, NEX Pro is the device you need to keep your muscles recovering.

REDDOT WINNER 2021

This massage gun combines a compact T-shape with a non-slip silicone grip. The device allows you to turn on and regulate the massage levels with one hand. The internal center of gravity is at the front, which facilitates handling. A powerful motor provides the necessary impact force during the massage. The equipment includes eight different massage attachments, which ensure that each muscle group can be adequately treated.

Jury statement - O'Yeet NEX PRO impresses with an exterior that conveys a powerful massage effect. A well thought-out design and variability increase user comfort.
