

Body Solid Compact Leg Press GCLP100

The Body Solid GCLP100 Compact Leg Press combines two great movements - leg press and calf raise - in one compact, safe and easy-to-use machine. At only 120cm wide and 170cm deep, the Body Solid GCLP100 is one of the most compact and functional leg press machines on the market and fits easily into most facilities and homes. The best-in-class carriage glides on sealed linear ball bearings and case-hardened, chrome-plated guide rods for unprecedented smoothness even at heavy weights. Rugged steel construction ensures lifetime reliability, even in heavy-duty facilities.

CHF 1'199.00
