

Body Solid Stand for up to 8 Gym Balls (SSBR100)

The Body Solid Gym Ball Rack SSBR100 allows you to store up to eight gymnastics or sitting balls ranging in size from 45cm to 75cm. Tiered storage helps organize gymnastics balls by color or size. Vertical design reduces space requirements. Durable PVC tubing helps maintain ball stability, while convenient storage enhances safety by keeping equipment off the floor. The SSBR100 Body Solid Gym Ball Stand features lockable swivel casters for easy transport.
