

Body Solid Stand for up to 12 Gym Balls (SSBR200)

The Body Solid Gym Ball Rack SSBR200 allows you to store up to twelve gymnastics or sitting balls ranging in size from 45cm to 75cm. Tiered storage helps organize gymnastics balls by color or size. Horizontal design provides increased storage capacity. Durable PVC tubes help maintain ball stability, while convenient storage enhances safety by keeping equipment off the floor. The SSBR100 Body Solid Gym Ball Stand features lockable swivel casters for easy transport.
