

Micro Maxi Micro Deluxe Foldable shocking pink LED (MMD096)

This Maxi Micro from the Deluxe-family scores points with two extra features: Firstly, the intuitive folding mechanism ensures that the kickboard with a simple folded and stored anywhere with a simple hand movement. Whether in the trunk, under the chair at school or in the locker - the Maxi Micro Deluxe Foldable LED has room everywhere. Secondly, the sparkling LED wheels ensure that the kids can be seen from afar. from afar seen even in the dark. The light is generated by a dynamo mechanism. Thanks to no batteries are required thanks to the inductive charging process. In addition ABEC 9 ball bearings guarantee maximum precision and durability. The illuminated wheels look not only look cool but provide also for more safety.

CHF 149.00

It weighs just 2.8 kg, so the steering is particularly light and you glide over the asphalt. The anti-slip coating on the footboard ensures a secure grip and the anodized handlebars emphasize the elegant look of the Maxi Micro Deluxe series.

LED wheels

The way to school becomes a light show - thanks to the illuminated wheels, you can be seen from afar, even in the dark. The LED version not only looks cooler, but also ensures greater safety.

Weight steering

The patented kickboard weight steering system works by shifting your own body weight. We developed this system with Swiss specialists and it promotes the rider's balance, motor skills and coordination. In addition, this steering system creates a very special riding experience and is suitable for all ages.
