CHF 990.00

The wall bars BenchK 112+A204 set includes the wooden BenchK wall bars 100 including the BenchK pull-up bar PB204 and the gymnastics accessories A204 consisting of gymnastic rings and rocking board, as well as the table top BT204 with which the pull-up bar can be converted into a work table.

The wall bars with pull-up bar, gymnastics accessories and table top is an attractive piece of sports furniture for the whole family and fits seamlessly into the living room. It can be used by any user, regardless of age and physical fitness, up to a weight of 120kg. The BenchK 100 wall bars will help improve the physical development of parents and can be a help in getting children involved in sports. Regular exercises on the wall bars contribute to the development of various muscle groups, spine and joint mobility. Joint exercises of adults and children on the ladder are also a good idea to spend time with the family.

The PB204 removable wooden pull-up bar can be mounted at different heights and allows you to

perform exercises on different muscle groups. The wooden pull-up bar is can be removed if necessary. A well-designed suspension system provides a secure hold when the situation requires it. It can be easily moved or hung in a different position.

The gymnastic rings are made of natural plywood. The belt length of the gymnastic rings is 210cm and are 2.5cm wide. The belts are manually tied to the upper section in loop form and secured at the very bottom. Metal and plastic elements are not necessary. The belts contain a clamp that ensures strength, safety and quick adjustment of the height. A round wooden swing with the diameter of 30cm is supplied with a cotton rope.

Beech wood desk rest for PB204 pull-up bar creates a stylish and functional desk for a child or an adult. The desk is beautiful and ideal for lovers of minimalism. Thanks to the height adjustment of the pull-up bar, the desk can be adjusted to the height of the user. It can be used by both a small child and an adult working at home. The pad can be easily removed and stored in the upper part of the wall bars on a bar to save space.
