

Powerline Half Rack Extension to Half Rack PPR500 (PPR500EXT)

The Powerline Half Rack Extension PPR500EXT is an optional extension to the Powerline Half Rack PPR500. The PPR500EXT extends an existing PPR500 Half Rack without increasing the footprint. The PPR500EXT creates an ideal space for weight horns (PPRWH), U-Links (PPRUL), or any number of multiple mounts.
