

Powerline Rack Extension to Power Rack PPR1000 (PPR1000EXT)

The Powerline Rack Extension PPR1000EXT is an optional extension to the Powerline Power Rack PPR1000. The PPR1000EXT extends an existing PPR1000 Power Rack and creates an ideal space for weight horns (PPRWH), U-Links (PPRUL) or any number of other attachments.

CHF 239.00

The rack extension PPR1000EXT also facilitates access for spotters and opens up new training possibilities.

Application: home use, payload: approx. 300kg

Equipment dimensions (attached to Power Rack PPR1000): W178 x D129,3 x H210,8cm, weight 24,6kg
