

## Powerline J-Cups Rod Mount to Rack PPR500/PPR1000 (PPRJJC)

The PPRJC J-Cups are an optional additional pair of J-Cups for the PPR1000 Power Rack or PPR500 Half Rack (each rack comes standard with one pair already installed). The PPRJC J-Cups feature high impact inserts that protect the knurling of your bar and have been tested at a weight capacity of 300 kg.
