

## Powerline Multi Chin Up to Rack PPR1000 (PPRMCU)

The PPRMCU Multi-Chin Up Pull-Up Bar can help transform a Powerline PPR1000 Power Rack into a unique piece of overall training equipment. This high-quality crossbar attaches over the top of the PPR1000 Power Rack and helps add a variety of workout options to the Power Rack, including pull-ups and chin-ups from new, unique grip positions. Each bar of the PPRMCU features a non-slip grip color for safe, comfortable and effective workouts.

**CHF 99.00**
