CHF 659.00

The wall bars BenchK 211 set includes the BenchK wall bars 200 including the BenchK pull-up bar PB076.

The wall bars BenchK 200B is a sturdy construction. The rungs are made of beech wood and the side rails are made of metal. The wall bars is an attractive piece of sports furniture for the whole family and fits seamlessly into the living room. It can be used by any user, regardless of age and physical fitness, up to a weight of 150kg. The BenchK 200B wall bars will help to improve physical development. Regular exercises on the wall bars contribute to the development of various muscle groups, spine and joint mobility.

The removable wooden pull-up bar can be mounted at different heights and allows you to perform exercises on different muscle groups. The wooden pull-up bar can be removed if necessary. A well-designed suspension system provides a secure hold when the situation requires it. It can be easily moved or hung in a different position. The design of the pull-up bar is well thought out and takes into account all the characteristics of the user and the exercises that will be performed with this piece of

sports equipment. All elements do not have sharp edges or protruding parts, so they are well suited for children. The natural materials used do not cause allergic reactions.

The following options fit the BenchK Wall bars set 211B:

- Desk top (BT076M) - the beech wood desk top for the pull-up bar creates a stylish and functional desk for a child or an adult.
- Gymnastics accessories (gymnastic rings and swing board) (A076)- the accessories are suitable not only for children, but are also a useful addition to the execution of exercises for adults
