

Body Solid Heavy Rubber Ball 9-32kg (BSTHRG)

Each of the BSTHRB Heavy Rubber Balls is 34.5cm in diameter and comes in six different weight options, making them a great addition to any gym or home facility. Body Solid BSTHRB Heavy Rubber Balls integrate perfectly into several popular workout routines, including wallball workouts, squats, partner/group throws, and all slam ball and medicine ball exercises. Body Solid's BSTHRB heavyweight rubber balls are designed not only for durability, but also for comfort, with a grippy rubber construction that ensures a firm grip throughout your workout. Each ball is color-coded by weight and features a weight indicator for quick and easy use.

CHF 119.00
