

## Best Fitness Squat/Dip/Climb Station BFVK10

Leg lift, pull-up, dip and push-up station from Best Fitness for training the lower and oblique abdominal muscles, the back, shoulder muscles and biceps.

**CHF 299.00**

The Best Fitness BFVK10 squat/dip/climb station is designed to provide an intense ab workout while reducing stress on your lower back. Comfortable back padding and arm rests reduce fatigue and discomfort so you can work on your abs in comfort. Dip handles feature comfortable hand grips for an excellent triceps / deltoids / lower body workout. Rock-solid support and stability are provided by heavy-gauge steel frames with 4-sided welded construction.

- easy entry and access to each exercise
- distance between dip bars approx. 52,5cm
- distance between arm pads ca. 45cm
- pull-up bar approx. 107cm
