

Sissel Suitcase Massage Bench Robust

The Robust suitcase massage bench from Sissel - with headrest set, armrest and carrying bag - suitable for mobile, outpatient treatment, massage, physiotherapy, manual therapy, manual lymphatic drainage, wellness or beauty treatments.

CHF 379.00

A professional bench for versatile use in massage, therapy and cosmetics. The Sissel suitcase massage bench offers optimal comfort thanks to especially soft, comfortable padding with rounded corners. The suitcase massage bench offers legroom for the treating therapist thanks to a high bar. The padding is made of a 2-layer special high-density foam for longer life, is height-adjustable with dual locking, lightweight and easy to assemble and disassemble even in the smallest space, and easy to transport thanks to its light weight.

- can be easily stowed away
- easy to transport
- includes armrest and adjustable headrest
- height adjustable with 2-fold locking mechanism
