

Weight magazine cover for Premium Functional Training Center GFT100 (GFT100SH)

These optional weight covers for the Body Solid Premium Functional Training Center provide added protection by keeping fingers away from the weight stack. In addition, these covers help conceal a weight stack and provide an aesthetically pleasing look that helps the GFT100 fit seamlessly into any modern workout environment.

CHF 399.00

- only compatible with Body Solid Premium Functional Training Center GFT100
- provides additional protection
