

Finnlo tablet holder for Finnlo Elliptical Spirit E-Glide

The FINNLO tablet holder is made of solid steel and is designed for even more intense cardio workouts with the Spirit E-Glide elliptical trainer from Finnlo. With a length of 50 cm, the tablet is optimally positioned above the training computer by the holder. The most popular tablet models with a height of up to 25cm are securely fixed with the FINNLO tablet holder E-Glide. The workout with the Spirit E-Glide elliptical trainer thus becomes even more varied and multimedia-based.
