CHF 899.00

Features:

- Rack design with 7° incline for natural lifting action
- 8 dumbbell storage options
- outer dimension of the dumbbell rack 120cm
- included **in delivery are 2 adjustable safety racks (HF-OPT-5000-04)** - height adjustable safety racks add an extra safety level to free weight training. TPU layer prevents the bar from scratching these rackout levels
- integrated pull-up bar
- extremely robust frame construction with high stability
- 2 disc supports (50mm) for weight disc storage
- bar supports with polyurethane covers - eliminates noise and protects the bar and equipment
- bar storage (50mm) in the rear area so that it does not interfere with the movement/running area
- modern frame with oval tubes
- non-metallic foot covers to protect the floor
- weight plates and bars not included

Use: home to light institutional use, payload: approx. 300kg
