

Personalized weight magazine cover for Hoist Fitness HD weight machine 3000

Personalized medium weight magazine covers for the Hoist Fitness HD-3000 strength training equipment from the HD-Line double-function equipment series not only offer the possibility of adapting to the furnishings and corporate image, but also turn any gym into a real eye-catcher.

CHF 750.00

The artwork is identical on both sides of the machine unless otherwise specified. To best assist the designer, specify the frame and upholstery colors for the units ordered, as well as brand guidelines or a website that can be used as the basis for the desired design.

Specifications:

- the foils are printed with CMYK color
- vectorized graphics are the preferred format, be it a logo or a graphic, as it can be scaled to any size without loss of quality
- File types for vector graphics: .EPS, .PDF, .AI
- all other data must be at 300 DPI and with minimum dimensions to fit the cladding size
- editable graphic file types: .PSD, .PDF

This version of personalized weight magazine cover is only applicable to HD-Line (HD-3000) devices.
Can only be ordered together with HD-3000 Dual Pulley Functional Trainer.

Disclaimer - please read carefully: Actual frame and upholstery colors may vary from the printed color samples and models shown. These models should be considered for reference only. Due to the printing materials and methods used, colors may vary and color matches cannot be guaranteed. To help us match colors as closely as possible, please provide specific CMYK color codes for each color required and note that neon colors are not available. Please note that HOIST logos are placed at the top of the artwork by default.
