

## PowerBlock SZ curl bar for PRO EXP (PBEZB)

The PowerBlock SZ curl bar is the perfect addition to the PowerBlock dumbbells. The ingenious adjustment system ensures that the PowerBlock dumbbells can be converted into a SZ curl bar in no time at all, allowing more exercises to be performed. The bar weighs 9 kg without weights and is therefore also an ideal starting weight. Combined with the PowerBlock dumbbells, the PowerBlock SZ curl bar can be used to train with a maximum of 43 kg.
