

Sissel cushion Soft

Sleep soft and gently support - with the viscoelastic neck pillow! The Sissel neck pillow Soft combines the advantages of the classic Sissel shape, proven a million times over, with the benefits of a viscoelastic foam filling. The exceptionally supple material also offers unique sleeping comfort to people with particularly sensitive necks. The Soft neck pillow is available in two sizes. The pillow has a velour cover ecru made of 80% cotton and 20% polyester, which is washable at 40 °C.

CHF 119.00

The Swedish original

All SISSEL neck pillows are manufactured with a lot of manual work in the casting process. They offer a good balance between softness and firmness, are allergy tested, anti-static and can be compressed, but still return to their original shape after a short time. The pillow core of all SISSEL neck pillows are hand washable, the covers are machine washable 40 degrees.

Neck and sleep pillow

A natural and unstressed position of the neck and cervical spine is an important factor for restful sleep. Due to its special slope and shape, an orthopedic neck pillow can be a concrete support to keep the neck area in the anatomically correct position. MEDIDOR offers a wide range of products of the traditional Swedish brand SISSEL: pressure-relieving pillows made of viscoelastic special foam, actively supporting ones made of polyurethane foam but also traditional pillows or those with spelt chaff and millet husk filling.

- not variable in height, instead available in 2 sizes
- filled with foam
- incl. velour cover ecru
- medical product
- sizes: 47x33x11cm (M) and 47x33x14cm (L)
