

## Body Solid round stand for 20 dumbbells 1-22.5kg (GDR80)

Round stand from Body Solid with space  
for 20 hexagonal dumbbells from 1-22.5  
kg

**CHF 399.00**

The GDR80 Body Solid Vertical Dumbbell Rack provides vertical storage for 10 pairs of dumbbells, keeping workout spaces clean, organized and safe.

The GDR80 comfortably holds up to 10 pairs of hexagon dumbbells of any size under 22.5 kg and is perfect for home or gym use. The GDR80's compact vertical storage fits a 1 to 22.5 kg hex dumbbell set perfectly and minimizes floor space compared to horizontal racks.

For those who want to get more out of the GDR80, the flat top shelf is the perfect storage for medicine balls. Only compatible with cast and rubber hexagon dumbbells.

- suitable for 10 pairs of hexagon dumbbells from 1-22.5kg with handle length 13.5cm
- stable frame construction
- the tray with flat top is the perfect storage for a medicine ball
