

## Micro Maxi Micro Deluxe Foldable LED Navy Red (MMD133)

This Maxi Micro from the Deluxe family scores with two extra features: First, the intuitive folding mechanism ensures that the kickboard can be folded with a simple hand movement and stowed anywhere. Whether in the trunk, under the chair at school or in the locker - there is room everywhere for the Maxi Micro Deluxe Foldable LED. Secondly, the sparkling LED wheels ensure that kids can be seen from afar, even in the dark. The light is generated by a dynamo mechanism. Thus, no batteries are needed thanks to the inductive charging method. In addition, ABEC 9 ball bearings guarantee maximum precision and durability. The illuminated wheels not only look cool but also provide more safety.

**CHF 149.00**

It weighs only 2.8 kg, so the steering is particularly light and you virtually glide over the asphalt. The anti-slip coating on the footboard provides a secure grip the anodized handlebars emphasizes the classy look of the Maxi Micro Deluxe series.

### **LED wheels**

The way to school becomes a light show - thanks to the illuminated wheels you can be seen from far away and that even in the dark. The LED version not only looks cooler, but also ensures greater safety.

### **Weight steering**

The patented Kickboard weight steering system works by shifting your own body weight. We developed this system with Swiss specialists and it promotes balance, motor skills and coordination of the rider. In addition, this steering system creates a very special driving experience and is suitable for all ages.
