

Circle Fitness E7 LED Crosstrainer

The E7 LED Elliptical from Circle Fitness is designed for home use to continuous commercial use in gyms, hotels, corporate fitness or physical therapies. The revised model of the Circle E7 LED cross trainer provides a smooth, quiet ride. The extremely pleasant and comfortable motion fits smaller and larger users and provides for a special training experience. The resistance design has been electrically retuned for more precise movement and more comfortable use. Circle Fitness equipment features rugged construction, sleek design and state-of-the-art technology.
