

## Powerfood Rocket BCAA Peach Ice Tea 500g can

Enjoy an active lifestyle - enjoy Rocket BCAA + Aminos!

Awaken the power in you - with Rocket BCAA. ROCKET ® from the brand PowerFood One is a BCAA and amino booster that gives your training the necessary kick. The high-quality raw materials create a perfect solubility of the product, so it can be drunk before or during the entire workout. The perfect ratio of 4g BCAA amino acids L-Leucine, L-Isoleucine and L-Valine in ROCKET ® creates a perfect environment for the muscles, and also prevents muscle breakdown during high-intensity training. 4g L-glutamine in ROCKET ® provide an optimized amino supply during training. The muscle building and muscle protein synthesis are positively influenced by supplied amionic acids. An additional boost provides the green tea extract contained in ROCKET ®. Finally, the underdog of amino acids L-tyrosine in ROCKET ® improves stress resistance and mental focus, thus perfecting the workout.
