

Jordan Wooden Barbell Jack

When it comes to weightlifting, you need a good, reliable Olympic barbell jack that takes the hassle out of removing or adding your weight plates from the barbell bar. Saving your energy for the important lifts. The "Deadlift Barbell Jack" from Jordan Fitness is simple, but sturdy and ready to take the weight off so you can lift safely.

CHF 49.00

With the aim of reducing environmental impact, Jordan Fitness' wooden barbell lifts are made from recycled layers that are firmly molded together to create a strong multi-layered barbell lift.
