

## Optimum Nutrition Gold Standard Isolate 930g can

Ultrafiltered for unparalleled purity In the production of GOLD STANDARD 100% ISOLATE™, we first select only the highest quality Whey Proteins, which are then subjected to a series of sophisticated filtration processes to "isolate" excess fat and sugar. A portion of this Whey protein isolate is then hydrolyzed - that is, broken down into smaller chains of amino acids. The end product is a complete protein that contains no more than 0.3 grams of sugar, 0.4 grams of fat, and 83% pure protein per serving. We work hard to ensure the highest quality so you can focus on your performance goals with peace of mind.

CHF 57.90

GOLD STANDARD 100% ISOLATE™ was made for fitness lovers who pay close attention to macronutrients and want a dietary supplement in the purest form possible. For those who value quality and consistency and are looking for a trusted brand to provide them with a high quality product to support their nutrition, performance and training.

After training, your body uses protein to repair and rebuild muscle fibers. GOLD STANDARD 100% ISOLATE is an extremely pure hydrolyzed Whey protein isolate powder designed to get into your body quickly to help repair and rebuild muscle fibers. This is especially important after a workout when your muscles are depleted.

- 25 g of pure Whey protein isolate per serving.
- Only 0.3 g sugar per serving
- Each serving of GOLD STANDARD 100% ISOLATE™ contains 83% protein.
- 5.5 g of naturally occurring BCAAs in each serving
- 4.3 g of naturally occurring glutamine and glutamic acid per serving

### **Suggested Use**

Add 30 g (~1 heaping scoop) to 200 ml cold water and stir well.

### **Ingredients**

*Chocolate:* WHEY protein isolates [MILK] (94%) (whey protein isolate, hydrolyzed whey protein isolate,

emulsifier: soy lecithin), flavors [MILK], low-fat cocoa powder, sodium chloride, thickener (xanthan gum), sweetener (sucralose).

*Strawberry:* WHEY protein isolates [MILK] (95%) (whey protein isolate, hydrolyzed whey protein isolate, emulsifier: soy lecithin), flavors [MILK], acidifiers (citric acid, malic acid), thickeners (xanthan gum), sweeteners (sucralose), colorant (beet red).

*Vanilla:* MILK protein isolates [MILK] (95%) (whey protein isolate, hydrolyzed whey protein isolate, emulsifier: soy lecithin), flavors, thickener (xanthan gum), sweetener (sucralose), color (curcumin).

### **Allergens**

May contain: Gluten, egg, nuts and peanuts.

Packaging unit: 930g tin

Flavors: Vanilla, Chocolate, Strawberry
