Whey protein is used exclusively as the protein source. Whey protein is quickly absorbed by the body and contains all the essential amino acids needed to build and maintain muscle. Low in sugar, it is the right choice for all athletes who pay particular attention to an appropriate calorie intake. Elite 100% Whey is therefore particularly suitable after your workout or between meals.

- 25g of high quality whey protein per serving
- Each serving contains 6.0-6.2 g BCAAs and 2.7-2.8 g of the important amino acid L-leucine, depending on the flavor
- Low in sugar
- Gluten-free
- Suitable for vegetarians
- Tested for banned substances by Informed Choice to ensure both the safety of athletes and the highest product quality
