Blazepod Athlete Bundle

The perfect package for one-on-one training, remote training from home and training sessions in smaller facilities. The flexibility of true 360° training, as the pods can be attached and used on rigs, bars and mirrors using the various adapters. Includes the free BASIC version of the training app (connection with max. 6 pods, 6 own exercises can be saved, access to main exercises in the exercise library) and 6-month trial Pro membership.

CHF 419.00
