

Style-Fit pedal straps

The pedal straps support a smooth and even run and ensure that your feet do not slip off the pedals.

CHF 49.90

The Stil-Fit pedal straps ensure that your feet have a secure hold on the pedals during training. No need to worry about slipping, but above all the pedal straps support a smooth and even run. Thanks to the firm connection, the pedal is also pulled upwards and not just pushed downwards.

- easy to fit
