WHAT IS THIS PRODUCT FOR?

Protein bars are ideal for providing protein between meals or on the go and are a high-quality alternative to "snacking" on chocolate or other sweets. ALL STARS bars are available in many different sizes. All bars are made from high-quality protein sources. The protein content is between 28% and 50%, depending on the type of bar.

DESCRIPTION

THE NEW VEGAN PROTEIN BAR CRUNCHY PEANUT CARAMEL

High protein content, less than 1 g sugar, deliciously crunchy, with a peanut caramel coating and a tasty chocolate topping. With the new PROTEIN CRUNCHY PEANUT CARAMEL BAR, we are expanding our range of bars and offering you a bar with exclusively plant-based protein.

30% protein per 45 g bar made from high-quality pea protein isolate and protein crispies. The bar is almost sugar-free thanks to the use of maltitol and other sweeteners. No conventional sugar has been added. The sugar content of less than 1 g per bar is naturally contained in the ingredients. The use of coconut oil ensures low saturated fatty acids.

Layers of peanut paste, caramel and the chocolate coating provide a real chocolate bar feeling and make the new PROTEIN CRUNCHY PEANUT CARAMEL BAR a perfect substitute for a sweet or two. And with only 167 calories and a real protein plus of 15 g per bar. Ideal for providing protein between meals or during your training.

The protein crispies make them deliciously crunchy, easily digestible and provide quickly available protein for your muscles. All the advantages that a bar alternative offers, and not just for convinced vegans. Try it now and treat yourself to a delicious portion of pure plant-based protein in between meals!
