

Fitwood Rocking Lounger LAAKSO beige with OHRA cushions and wedges

LAAKSO is a rocking lounger that is ideal for moments of rest from daily activities and offers a dedicated space for relaxation. Inspired by the popular children's version LUOTO, LAAKSO is designed to provide a comfortable rocking experience specifically for adults, incorporating the well-known activity-enhancing features of the LUOTO climbing arch. The gentle rocking motion has been proven to have numerous calming and relaxing benefits, such as reducing stress and reducing anxiety, improving sleep quality and increasing concentration.

Whether you like to relax and immerse yourself in a good book, play video games, watch your favorite series or knit - LAAKSO is the perfect, cozy place for it. For the greatest possible comfort, the LAAKSO rocking lounger is combined with the soft OHRA cushion and with specially developed wedges, you can lock the rocking lounger and bring it into a certain position.

The LAAKSO rocking lounger and wedges are designed in Finland and manufactured in the EU from sustainable birch plywood. They are available in birch color.

The OHRA cushion is made from 100% recycled fabric (87% recycled cotton, 13% recycled polyester - Oeko-Tex Standard 100). The filling consists of 60% recycled polyester and 40% foam chips (may contain individual down).

The LAAKSO rocking lounger is ideal for adults for:

- reading books or knitting
- playing video games
- working remotely
- Watching your favorite series

- taking a nap
- Listening to podcasts
- And much more
