

Bodycraft Leg Press to Multistation Xpress Pro

The BodyCraft leg press can be added to the XPress Pro strength station as an option. A training weight of up to 180 kg is achieved through a 2:1 ratio.

CHF 690.00

Equipment:

- the leg press does not have its own weight block. It is connected to the weight block (90kg) of the main station (XPress Pro).
- transmission ratio: 2:1 (maximum adjustable training weight: 180kg)
- adjustable backrest
- lateral handholds on the seat unit help to perform the exercise
- large footplate
- high quality seat and back cushion
- frame color: Diamond Grey
- upholstery color standard: black

Use: home use, payload: approx. 200kg

Equipment dimensions: Multistation XPress Pro with leg press: L210 (with leg press L217) x W144 (with leg press B230) x H211cm, weight 59,3kg

Warranty: 2 years on labor and spare parts (excluding consumables such as pads/cables)
