

Bowflex SelectTech 552i dumbbell 2.3-23.8kg

This dumbbell system from Bowflex saves the purchase of up to 15 different pairs of dumbbells. Each Bowflex SelectTech 552i dumbbell offers the possibility to train with weights from 2.3kg to 23.8kg. The adjustment system of the Bowflex dumbbell is very simple - setting the desired weight with a rotary wheel on both sides. Only the weight plates necessary for the set weight are detected. The dumbbell is then lifted out of the bowl with the selected weight and off you go with the workout. The practical adjustment mechanism of the Bowflex SelectTech allows the desired dumbbell weight to be set in no time at all. No more tedious changing of weight plates. The Bowflex SelectTch dumbbell offers functional total body training for legs, back, chest, abdomen, shoulders and arms.

CHF 249.00
