

## Tunturi cross trainer C25F

The Competence line from Tunturi is the perfect choice for beginners. With a Tunturi Competence machine, you get a high-quality and easy-to-use fitness machine for simple home use. The Tunturi Competence C25F crosstrainer is a front-wheel drive crosstrainer with 3 different programs and 8 resistance levels. The control panel has an integrated LCD display and simple menu navigation by means of a rotary knob. This makes the crosstrainer very easy to use.

**CHF 999.00**

The maximum user weight is 135 kg. In addition to pulse measurement on the handles, a chest strap can also be used as an option. The resistance is controlled manually and is a maximum of 250 watts.

This cross trainer is front-wheel driven, which requires a little more space, but is more comfortable and ergonomic in terms of the movement sequence and also results in a longer stride length.

### Features:

- Manual magnetic brake
- flywheel 32kg
