

## Waterrower floor mat 227 x 92cm, black

The mat from Waterrower prevents the WaterRower from slipping on particularly smooth or sensitive surfaces and protects the floor at the same time.

**CHF 79.90**

When rowing on very smooth or sensitive surfaces, it can happen that the WaterRower moves slightly out of place during strong rowing movements. This mat prevents the WaterRower from slipping and protects your floor at the same time.

Dimensions: L228 x W90 x D0.5cm
