

Tunturi Boxing Trainer - Free Boxing Stand (14TUSBO073)

The ideal training partner for at home. The Tunturi punching bag helps to increase the intensity of your training and improve your punching and kicking skills. The punching stand is very robust and resistant and therefore a long-lasting training device. The base can be filled with sand (up to max. 90 kg) to guarantee a firm stand. This means that the free-standing boxing stand will not fall over during training.
