## RECUMBENT LIFECYCLE® BIKE

Bring home your favorite workout from the gym with the Life Fitness Club Series+. Rooted in 20 years of reliability and innovation, this workhorse cardio series is a trusted fixture in top facilities across the world. The Club Series+ Recumbent Lifecycle Bike offers superior product features for your best workout, advanced exercise technology, and a modern design that looks great in your home.

### A COMFORTABLE RIDE

The seat is designed for comfort and includes a back rest and lumbar support, as well as a wrap-around adjustment lever that makes it easy to find the most comfortable seat position. Integrated resistance controls on side handles make in-workout adjustments easy.

### ANYONE CAN GET-ON-AND-GO

Step-through design and front assist handle allow for easy entry and exit. Wide, self-leveling pedals with simple buckle straps let you get started quickly. 41 seat adjustments accommodate users of all sizes.

### BUILT TO LAST

Built with the same rugged durability as the bikes found in busy health clubs. The Club Series+ promises to be your trusted workout partner for the long haul.

### EFFECTIVE HOME WORKOUTS

Low-impact, non-weight-bearing cardio workouts are effective and easy on the joints.
